

Nurture Development

Development - Redefined

ABCD

Health & Wellbeing

Cormac Russell

The Challenge: 51 People & The Humpty Dumpty Effect

51 People with disabilities

Note: 9 of the 51 people had only paid human services professionals and other people with disabilities in their circles.

The Goal: From Martha's Vineyard to Judith Snow

Everybody Here Spoke Sign Language

Judith Snow- A Phenomenal Woman

“4 x more likely to find work through friends than through Job Centre”

Brook, K Labour Market Participation, the influence of social capital.
ONS/Labour market trends

“Stronger neighbourhoods have significantly less crime”

Sampson, R (2013) When disaster strikes, it's survival of the sociable.
New Scientist 2016 (May)

“Living in a supportive community increases our chance of good health by 27%”

Gilbert, K. Quinn, S. Goodman, R. Butler, J. and Wallace, J. (2013) A meta-analysis of social capital and health: a case for needed research.
5 Journal of Health Psychology 18 (11) 1385-99.

“Across the whole of Somerset emergency hospital admissions rose by 29% during the three years of the study. In Frome (the site of the project to combat isolation) they fell by 17%”

The town that's found a potent cure for illness - community
Monbiot, G. The Guardian 21/3/18

What Makes Us Healthy

What We Spend On Being Healthy

ABCD PRINCIPLES

1.
What is it that
communities
can do best?

2.
What do communities
require help with?

3.
What do communities
need outside agencies
to do for them?
